

DESCRIPTION

WeSell is a mobile app used by farmers to sell their products online without passing through resellers.

Made with Flutter and Firebase.

FONCTIONALITIES

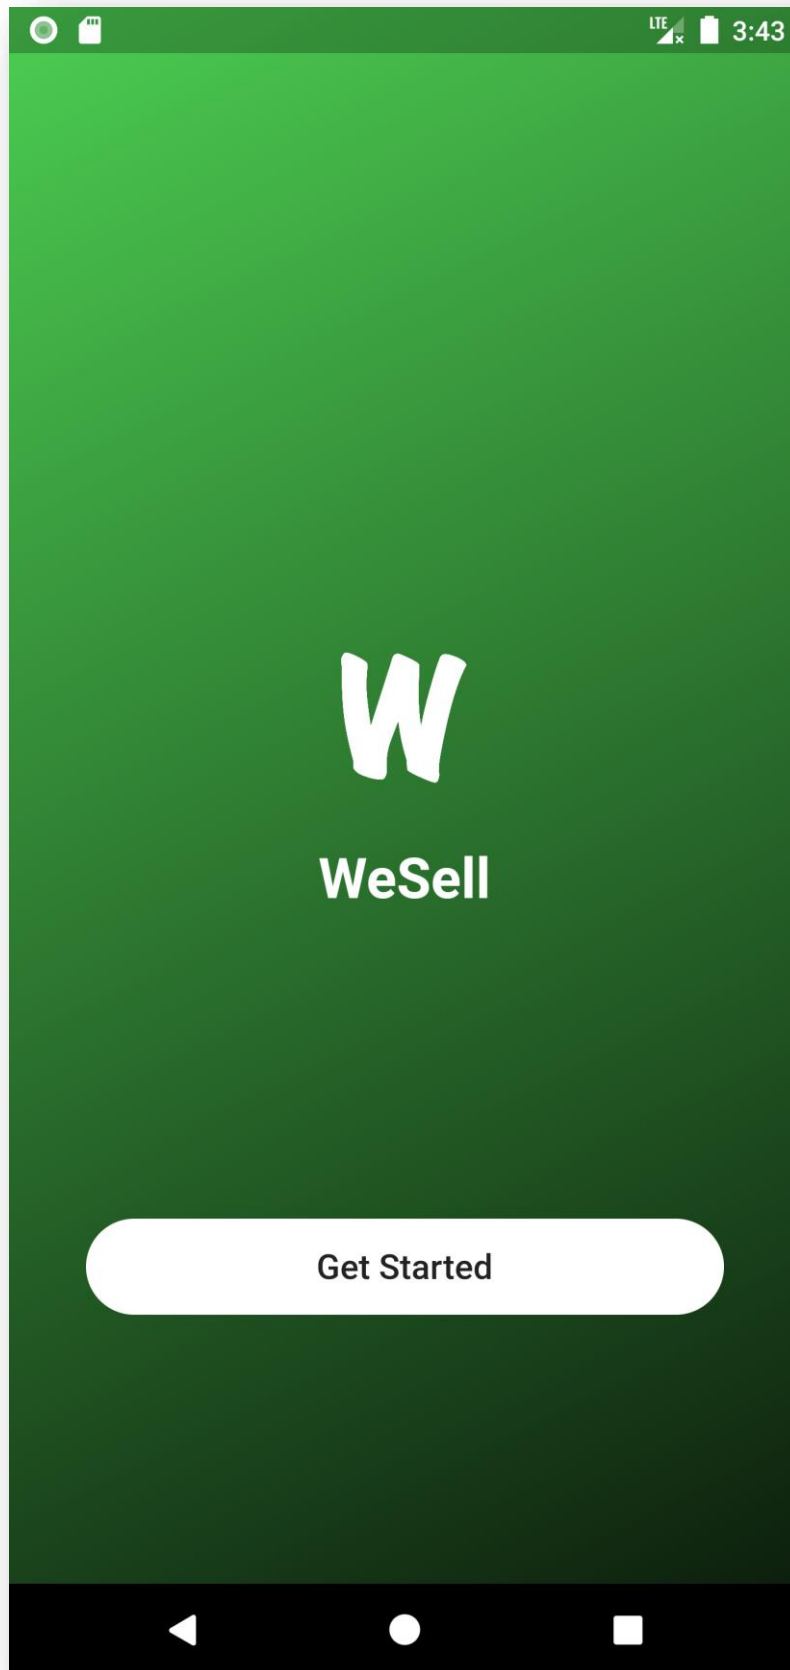

FARMERS

- Sign In/Sign Up
- Reset password
- Upload Item
- Delete Item
- Sell Product
- View List of items
- Log Out

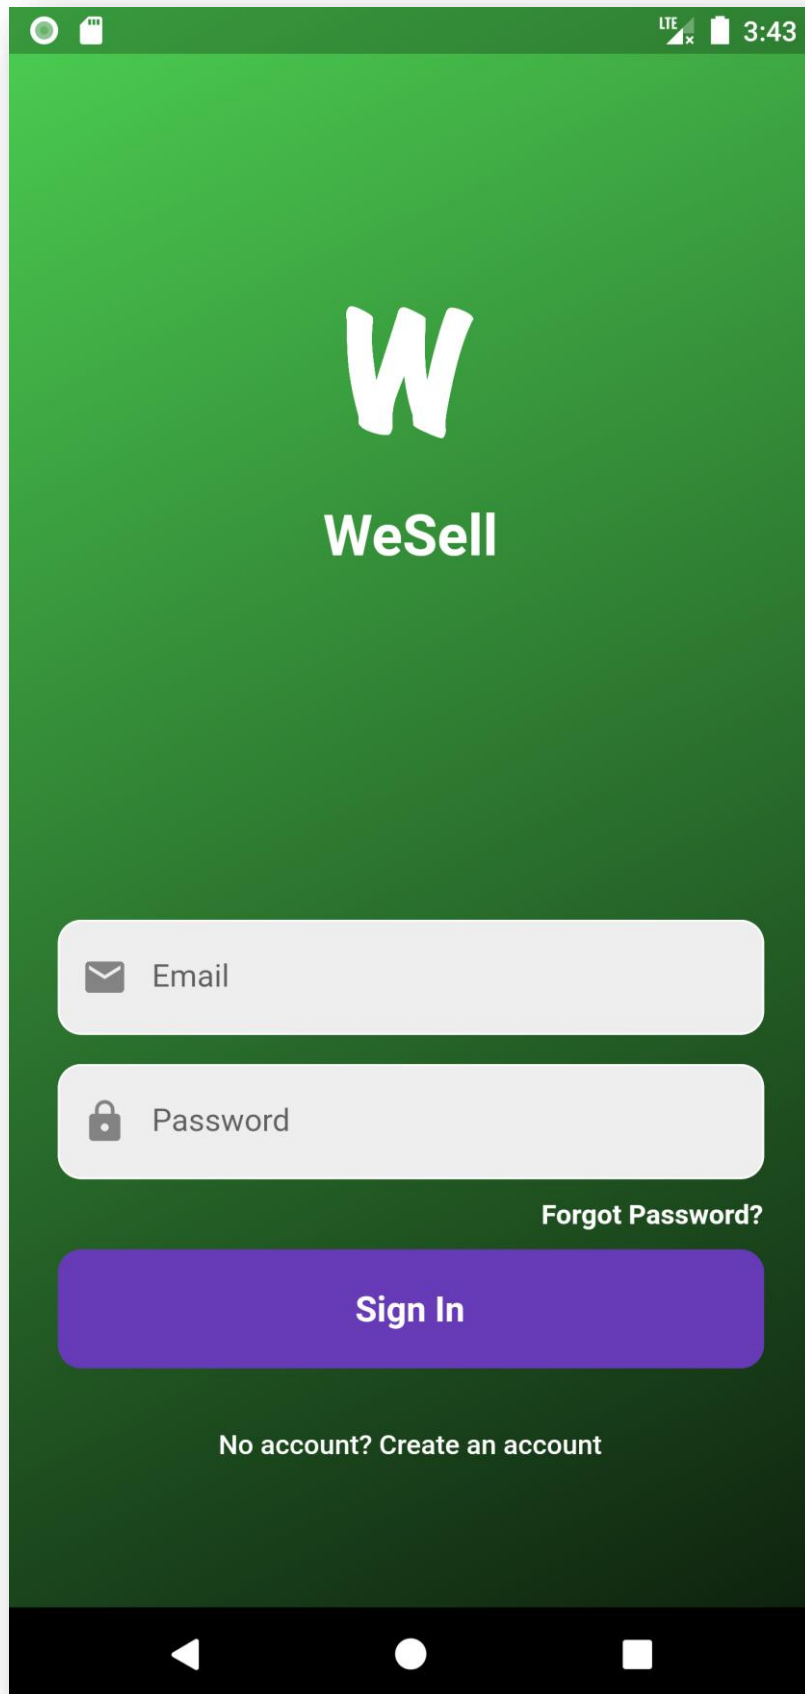

CLIENTS

- Sign In/Sign Up
- Reset Password
- View List of items
- Order item
- Log Out

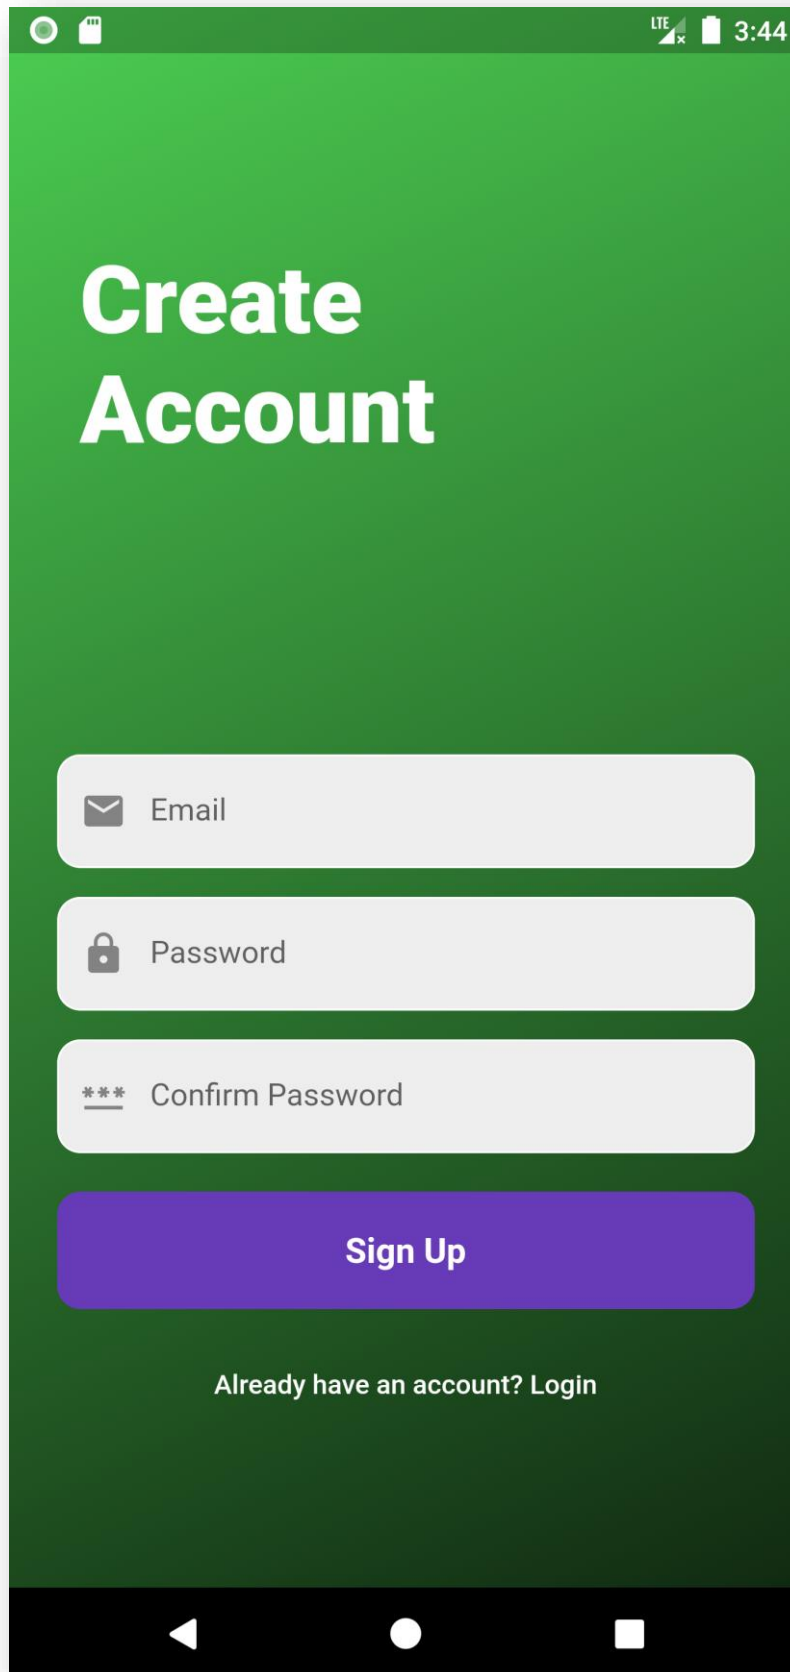

❖ WELCOME PAGE

❖ LOGIN PAGE

❖ SIGN UP PAGE

A mobile application sign-up page with a green gradient background. At the top, there is a status bar with icons for signal, battery, and time (3:44). The main heading "Create Account" is in large white text. Below it are three white input fields with rounded corners. The first field has an envelope icon and the label "Email". The second field has a lock icon and the label "Password". The third field has three asterisks and the label "Confirm Password". Below these fields is a purple button with the text "Sign Up". At the bottom, there is a link that says "Already have an account? Login". The page is framed by a black Android-style navigation bar at the very bottom.

❖ UPLOAD ITEM PAGE (FARMERS)

The image shows a mobile application interface for farmers to upload an item. The app has a green header bar with the title "Add Item". Below the header, there are two green buttons: "Choose Image from Gallery" and "Take image with camera". Underneath these buttons are four text input fields labeled "Title", "Description", "Phone number", and "Price". At the bottom of the form is a green "Submit" button. The app's bottom navigation bar is white with a green circular icon containing a plus sign on the left, and four black icons (trash, home, search, and settings) on the right. The status bar at the top shows LTE signal, battery level, and the time 3:42.
